Club Championship Results

At the BMW Clubs Australia Car Club Nationals, clubs compete to be the **Champion Club**. There are nine car clubs in BMW Clubs Australia and eight of these clubs had members present at the Nationals.

Points were awarded for participation in the seven nationals elements. So that the host club does not have a significant advantage, participation is only counted for members who attend two or more of the Nationals elements. Members of BMW Drivers Club NSW who only entered the Car Show or Motorsport or the Tourist Drive were not counted.

Club	Number in Club	Participation	%	Total Points
a. Victoria	633	19	3%	214
b. Queensland	334	18	6%	242

Shannons Car Show at the BMW Clubs Nationals

The BMW Clubs Australia Car Nationals includes a Car Show. This Shannons sponsored show is a very important element of the whole Nationals and cannot be rescheduled. It was raining; I mean really raining so we implemented Plan B. Cars that were arriving at McQuade Park in Windsor were directed to the Sebel Resort where cars involved in the Nationals were waiting.

Cars paraded via a small toweling down area to the judging zone under the awning at the Sebel Governor Phillip Ballroom. Judges slaved away counting drops of rain and scoring a very high quality group of beautiful BMWs.

Shannons Insurance provided a great batch of trophies and the winners were:
